« I had a house by the sea.
But in order to get to the beach,
you had to go through the bar.
So I never saw the sea itself.»

HOOTCH IN IRELAND

Don't like beer, tired of traditional whiskey? Maybe the other way around? We know how to help you. Irish poitin is our answer.

The Irish have always been famous for their special passion for bright unusual strong drinks, and the classics of the genre in the form of high-quality poitin is the most striking example of this.

A wide variety of raw materials can be used as a basis for creating a drink, from grains and sugar beets to potatoes and molasses. Notes of green apples, smoke, white pepper and woods give the sweat a special aroma. To fully reveal the gastronomic features of the drink, it is best to use it with fish dishes, meat and cheese cuts.

Due to repeated distillation, it acquires unique taste characteristics that can become a worthy addition to any evening, whether it be a meeting of old jubilee or anniversary celebration in the company of relatives. Hurry up to taste the traditional drink of the real Irish at the Mick O'Neills Irish Pub.
